They have never found it necessary to employ men or women to canvass the city and sell tlekets or resorted to other fake methods to induce patronage, but under their motto, "High class photos, at moderate prices," they are kept busy all the year around. CULPEPER FOR PARKER

Essex Delegates Go Uninstructed, But Primary Plan Is Endorsed.

(Special to The Times-Dispatch.) SUFFOLK, VA., May 28.—At a distric mass meeting of Democrats at Holland, Va., this afternoon, Dr. Thomas H. Barnes, Jonas E. Lawrence, W. E. Rodgers and Dr. J. G. Holland were elected delegates to the Richmond convention. At Cypress Chapet William Q. Peele and M. F. Lloyd were chosen. Both mass meetings endorsed Robert W. over the district. Withers expects to win easily. Out of twelve delegates so far named in Nansemond, nine are favorable to Judge Parker as against any other probable presidential candidates.

The contest between Hon. John C. Parker and County Chairman J. Peter Holland for a seat in the State convention from Southampton county will introduce for settlement an issue that seemingly is not covered by any party law. A bitter contest between the two culminated in a volent row at Frankiln last Saturday, and it is contended that Chairman Holland usurped authority by calling the meeting to order.

In answer to a letter of inquiry, State Chairman Ellyson writes in part:

"It is usual, so far as I am advised, for all counties and cities to have definite rules as to who, shall call the district or ward meetings to order. In Richmond it is the custom always for the ward superintendent to call the ward meetings to order. I would have to have before me a copy of the rules of the Southampton County Committee before I could intelligently pass upon the question."

Southampton's executive committee rules do not cover the point.

Richmond, Va., May 28, 1904.

We, the undersigned representing the Society for the Prevention of Cruelty to Children, desire to pay tribute to the memory of the lamented Virginius Newton, our first president. With him it was not a mere sentiment, but a fixed principle which he exemplified in the duties of life.

He has left behind a bright and almost peerless record. His excellent Christian, moral and social standing in the community justly secured for him the universal respect and admiration of all who knew him.

Therefore, Be it resolved: That in the daily beauty of his life were portrayed those ever living principles that build up and sustain great philanthropies. He was a true friend to the poor and unfortunates, and especially to the welfare of neglected children. "The soft memory of his virtues yet lingers like twilight hues when the bright sun has set."

Resolved, That these resolutions he spread upon the minutes of our society, and a copy as an expression of our sympathy be sent to the family of the deceased.

PATRICK COUNTY JAIL DESTROYED

The Prisoners Are Taken to Martinsville for Safe-

Keeping.

DANVILLE, VA., May 28.—Fire at Stuart, Patrick county, last night, completely destroyed the county full and the adjoining residence, which was occupied by the jailer, Mr. Anthony Smith, who was awakened by cries emanating from the jail. His home was then burning over his head and the jail had caught.

The fire burned so rapidly that it was impossible to save either structure. Mr. Smith succeeded in liberating the prisoners from the doomed building, but none were allowed to escate, and were to-day brought to Martinsville and placed in jail there. It is believed that the fire caught in the rear room of the dwelling house.
